## **\*V\*I\*R\*G\*O\*'S 'CYBURLESQUE' @ ANTHOLOGY FILM ARCHIVES MONDAY & TUESDAY, SEPTEMBER 8 & 9, 2003**

**NEW YORK, NY** - (August 18, 2003) On Monday and Tuesday, September 8<sup>th</sup> and 9<sup>th</sup>, \*V\*I\*R\*G\*O\* and his accomplices will descend upon New York's famed Anthology Film Archives for the newest installment of his evolving multimedia performance installation "CYBURLESQUE". Exploring the dark, sensual world of the human mind, "CYBURLESQUE" is a vibrant musical fantasy of fetish and spectacle.

The experience begins with a special reception featuring a sexy cyber-fetish photo exhibit by Jo Lance in the gallery and abstract video installations by Lyon Smith (9/8) and Debra Soto (9/9) in the Anthology's Maya Deren Theatre, accompanied by the electronic sounds of Whir & Click (9/8) and Zenen (9/9).

"Name your pleasure. Test your limits. Live out your darkest fantasy." With these words reverberating in the darkened theatre, \*V\*I\*R\*G\*O\* takes the stage, bearing with him a tantalizing array of strange, forbidden fruits. His bevy of talented and innovative collaborators includes guitarist Robert Urban, vocalist Stacey Williams, and drag diva Yolanda as your dominatrix and emcee. Wearing couture designs by Yaron Zino and bathed head-to-toe in exquisite projections by video artist Jessica Shaw, \*V\*I\*R\*G\*O\* creates a masterful series of visual and sonic landscapes.
